GOLDEN HIGH FLOW NEW COLORS!

37 NEW colors deliver even more breadth and versatility to artists.

Now with 85 colors – High Flow becomes the largest range of ink-like, professional acrylics available. We've added new colors to our top selling High Flow fluorescent and iridescent color range and introduced convenient light value tints that have become extremely popular in our other color lines. Already one of the most versatile paints we offer, this expanded palette will help more artists than ever find a use for these ultra-low viscosity acrylic paints in their studio.
